### **HUMAN INTELLIGENCE HUNT**

- Rules: 1) *Students must actually perform the tasks listed, not simply say that they can do them.*  
2) *Once a student performs a task to the "hunter's" satisfaction, he or she should initial the blank space next to the appropriate task on the "hunter's" task sheet.*  
3) *"Hunters" can ask a person to perform only one task; therefore, to complete the hunt, a student must have eleven different sets of initials.*
